GUARANTEES

Where charges are made on a per person basis, a guaranteed attendance must be communicated to Time-Out staff by noon, five working days prior to event. The guarantee will be the basis for the Time-Out's purchasing of food items and, therefore, this number is not subject to reduction. If no guarantee is received, the number of guests indicated on the event order will be considered as such. Time-Out will set and prepare for 5% over the guarantee. If attendance exceeds 5% Time-Out cannot guarantee the menu items served. Please understand that your final guarantee, 5 days before the function may not fall below the minimum number that must be served.

FUNCTION ROOMS

Our schedules of room rental fees are determined based on factors pertaining to your groups program. Function rooms are assigned in accordance with the anticipated number of guests. Time-Out reserves the right to reassign the function room.

FOOD AND BEVERAGE

All food items must be supplied and prepared by Time-Out. The client may not remove food from the premises. Time Out assures there is enough food for the clients' event, in doing so Time Out often prepares more food than will be required. The extra food can not be taken home with the client but must stay on the premise since it belongs to Time Out. The client or any of the client's guests will not be permitted to bring outside food or beverages of any kind in banquet space or restaurant. Menu selections must be made at least two weeks prior to the event. All prices are subject to 6.75% tax and 20% service charge. We are happy to customize a menu for you.

DAMAGE / LOST AND FOUND / SECURITY

Clients agree to be responsible and reimburse Time-Out for any damage done by client or client's guest to Time-Out. Time-Out will not assume responsibility for the damage or loss of any merchandise or articles in the banquet or restaurant before, during, or after your function. Time-Out may require, for certain events, unarmed security guards to be provided at the client's expense. Only Time-Out approved security firms may be used. For complete terms, refer to contract.

SIGNS AND BANNERS

Time-Out reserves the right to approve all signage. All signs must be professionally printed. The affixing of anything to the walls, floors, or ceilings with nails, staples, pushpins, carpet tape, or any other substance, - unless this office gives approval, - is not permitted. For complete terms, please refer to contract.

SHIPPING AND RECEIVING

Packages for meetings can be delivered to Time-Out one business day prior to the meeting date. Send any packages to the attention of the Time-Out and plainly identify them with company name and meeting date. Please note there is limited storage space. The client is responsible for the return shipment of all packages. Time-Out reserves the right to charge a nominal fee for any packages delivered prior to one business day before the event or return packages.

DEPOSIT

Patron shall pay a non-refundable deposit at the time of signing of this agreement and Time-Out contract. The dollar amount stated on the contract(s) between Patron and Operator represents the amount to hold the required space and guaranteed attendance.

CANCELLATION/ATTRITION

The contract(s) between the Patron and the Operator for the Event have provisions relating to the cancellation or attrition as to food, beverage, and room income ("Time-Out Revenue Estimate"). There are dates and time periods relating to each. The provisions of such contracts shall apply, notwithstanding anything to the contrary in these Standard Terms and Conditions.

FINAL PAYMENT

Unless credit has been established in advance by Patron with Operator, payment in full of all balances due must be made in cash, certified bank check or company check at least 5 business days prior to the event. If credit has been established, payment will due in accordance with terms therefore agreed upon between the parties hereto, however in any event, no later than thirty (30) days following the Event.
